HarvestShare in 2025

www.harvestsharemd.org

Our community of gardeners made an invaluable impact reducing food insecurity in our county, bringing locally grown, fresh produce to those in need and teaching neighbors to grow food for themselves.

Our harvest

119,939 pounds since 2020.
That's almost 60 TONS!

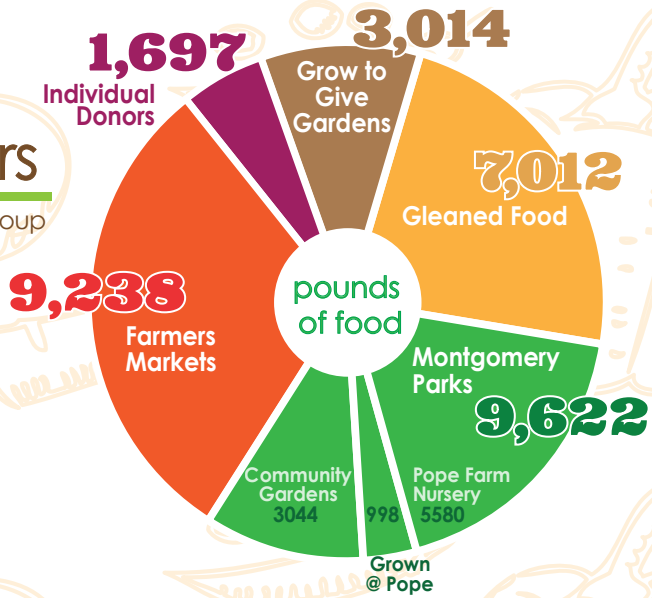
30,745 pounds of fresh produce donated

Our goal

fresh food delivery in less than 24 hours from harvest to donation

Our donors

a very sharing, caring group



Our impact

providing culturally desired food to our neighbors in need

Our involvement

our programs reach and teach county wide
